

How Does My Recycling, Yardwaste & Garbage Program Work?

Home Owners & Renters

If you are a home owner or renter in Mecklenburg County, please check the information for your municipality.

Multi-Family Community (Apartments, Townhomes, Condominiums)

If you reside in a multi-family community that doesn't offer curbside collection, please check our Multi-Family Household Recycling Information on page 19.

Unincorporated Areas of Mecklenburg County

If you live in an unincorporated area of Mecklenburg County, you can take your garbage and recyclables to one of the Full-Service Drop-off Centers (see map on page 8) or you can contract with a private garbage/recycling hauler. Residents that live outside of the city or town limits are responsible for finding a collector unless your HOA or community provides collection service. A list of haulers can be found at www.WipeOutWaste.com.

NOTE: Charges may apply at Drop-off Centers

Quick Find! Your Municipality
