

Adopt-A-Highway

Administered by the NCDOT Office of Beautification, this volunteer-based program results in a significant litter removal cost savings benefit for North Carolina taxpayers. In 2012, that savings was valued at \$5.3 million. All 100 counties have a local Adopt-A-Highway Coordinator that facilitates the adoption of two-mile sections of highway. The NCDOT county maintenance office provides trash bags, safety vests and gloves. In addition, an Adopt-a-Highway sign is placed at the two-mile section recognizing the volunteer(s) taking responsibility for litter removal on a quarterly basis.

Call 1.800.331.5864 or visit www.ncdot.gov/~beautification for more information.

Adopt-A-City Street

Adopt-A-City Street is administered by Keep Charlotte Beautiful. It allows businesses, individuals and organizations to make a significant impact on the cleanliness of Charlotte's streets by adopting a city roadside area and committing to cleaning it at least four times a year.

To sign up for this program, visit kcb@charmeck.org. Once accepted, two signs with your selected name will be installed on the city roadside that you have selected.

The Big Spring Clean (formerly Big Sweep)

Each year, over 500 volunteers remove an average of 10 tons of trash from our local waterways! Volunteers have fun, make a big difference, and learn the importance of taking care of our community resources.

For more information, please visit stormwater.charmeck.org.

North Carolina Spring and Fall Litter Sweep

Litter Sweep is a statewide roadside litter cleanup campaign sponsored by the NC DOT. The campaign is a result of a proclamation from the Governor encouraging citizens, businesses, local governments, civic groups and Adopt-A-Highway (AAH) volunteers to participate in making our state clean, green and beautiful. The events are generally scheduled for the last two weeks of April and September.

To volunteer, call **1.800.331.5864** or visit www.ncdot.gov/~beautification for information.
